MEMBERSHIP

Adult membership is open to anyone who is interested in supporting and promoting agriculture, agricultural education and the FFA at the local, state and national level.

If you are proud of FFA and want to help local FFA members acquire knowledge and experience from agricultural education and FFA activities - becoming an adult member is for you!

FFA advisors and members all across the country rely on volunteers to help support their chapters through the gifts of time, talent and resources in order to gain community support and give teachers more time and freedom to do what they do best - teach students.

Join us and give back your skills, starting at the local level.

Who we Are::

FFA Alumni members are the true "grass roots" Volunteers & Supporters, who offer our experience, our time, our finances, and mentor FFA Members who embrace Agriculture Education at the local FFA Chapter level. We are former FFA Members, community Volunteers and Leaders, and ordinary People who are passionate about providing tomorrow's Agriculture youth with practical application experiences and life events.

What we do:

FFA Alumni members work closely to assist the Agriculture Education Advisor and the FFA members in our local school districts where Agriculture Education is taught. We assist with Career Development Events (CDE), at FFA Camp and conferences, the State and National FFA Convention, and other personal development programs by mentoring students and teaching them important skills for increased knowledge and for local, state, and national competition. We also provide our time to judge these competitions.

SCHOLARSHIP

The Evergreen FFA Alumni is proud to give a \$1,000.00 scholarship to a graduating Evergreen FFA member each year.

Funds that are raised throughout the year by the Alumni support this annual scholarship.
