Please check out the Evergreen FFA website to see when contests are.

The Evergreen FFA will also be gearing up for Strawberry Sales which will kickoff at the start of February.

At the spring banquet, there will be the announcement of the 2023 senior scholarship winner along with the 2023-2024 officer team. Applications for both items will become value at the start of February.

The Ohio FFA State Convention is something that does not occur until May, however, planning has already begun. If you or your child is interested in more information, please be on the lookout for trip information in the next month.

CDE Spotlight - Agricultural Communications

Within FFA, members can compete in various different contests. One of the next contest FFA members can participate in is Agricultural Communications. This is a team contest where members develop a media plan, take various communications/editing tests, and participate in communications practicums such as video editing and blog writing.

Anyone is able to participate in the online test. This is a great way to see if the contest is something members would be interested in doing in the future.

Online Test - January 10th

Media Plan Submission - January 13th

National FFA Week

Guess what...the National FFA Organization has a National FFA Week. The National FFA Week is February 18th-25th. The weeklong celebration began in 1948 in recognition of George Washington's legacy to agriculture and as a farmer.

This week is a great way to not only celebrate the FFA but also advocate and educate others about the National FFA Organization. Schools from across the country celebrate in several different ways from field trips to community service projects to chapter luncheons.

The Evergreen will be joining the celebration by implementing various events for members, teachers and faculty, and community members to participate in. A finalized schedule for all of the events will come at the start of February.
